MASTER PLANNING PROGRAM FOR CITY SEEN AS NEED

Need for a master city zoning plan to provide for extension of present streets, development of additional thoroughfares and other phases of expansion in Upland was emphasized at today's meeting of the Upland chamber of commerce board of directors.

The next meeting of the board will be devoted to "city planning", with the civic improvement committee members invited to attend.

The next succeeding meeting of the board will be devoted to a discussion of membership fees with the possibility of increasing the dues for business firms.

NEW ACTIVITIES SEEN

Today's meeting and the general outlook for the future indicate increased activities on the part of the civic organization. The meetin, at 7:30 o'clock this morning, was held in the Apple Pie cafe.

In close contact with the trend here and demand for local property, Ernest H. Gibson, president of the chamber of commerce, lead this morning's discussion relative to "planning for the future".

"Without any question Upland will experience a tremendous growth soon after the war, he declared. "Countless numbers of people have definite plans for building houses here. This community will experience a building boom—and it is essential that a 'master plan' for development be prepared now in anticipation of that boom."

The chamber head emphasized the need for a "downtown park", and was specific in citing possibilities.

LEADERSHIP NECESSARY

The chamber directors recognize that it is up to the city council and the city planning commission to make definite plans, but Mr. Gibson said he believes that it is up to the civic organization to take the lead in making suggestions and pointing out possible improvements.

A possible racial problem was also mentioned. While no colored persons are property owners and residents here now, the time may come when Negroes may want to locate here. This phase of future zoning will be discussed at the June meeting.

COMMITTEE MEMBERS

On the civic improvement committee are Frank Davis, San Antonio Heights, chairman; Richard G. Manley and H. F. Naisbitt.

Possibility that the chamber of commerce will employ a full-time secretary to aid in further development of the city was seen.

Increased revenue is needed by the chamber and a financial program of providing enough funds for employment of a full-time secretary may be developed.

Attending this morning's meeting besides Mr. Gibson were Harold Musser, Sam B. Rowe, Will Mason, Harry Wright, Mrs. Douglas Black, Vernon V. Paine, James E. Goodban, and I. T. McFadden, directors; Dr. James V. Latimer, secretary, and Mr. and Mrs. Frank Wiley. Mrs. Wiley is assistant secretary.

Child Playing With Matches Starts Grass Fire Here Saturday

Upland fire department answered two grass fire alarms over the week-end. One fire at 1:15 p. m. Saturday was at Foothill Blvd. and Red Hill drive, and was set by a three-year-old youngster playing with matches, according to Fire Chief Howard Paulin's records. Considerable brush was burned but no property damage was done.

Second fire was also on Saturday at 5:30 p. m., at the Pacific Electric right-of-way at Washington boulevard and Tenth avenue. No property damage was reported.

Mrs. Ed Thormodsen and children, Richard and Linda, of Monrovia were afternoon callers Sunday at the home of Mrs. T. I. LaPlant, 506 East Eleventh street.

Woman's Club Officers Assume New Duties in Program Today

Mrs. Marion Maxwell, recently-elected president of the Upland Woman's club, and her staff of officers for the coming year, were installed in ceremonies conducted by Mrs. Lloyd A. Fox, a past president, at the meeting of the club this afternoon in the club house. Mrs. Maxwell succeeds Mrs. L. E. Moser, who has headed the group for the past two years.

Taking office with Mrs. Maxwell were Mrs. Nellis C. McNeil, first vice-president and membership chairman; Mrs. J. Emery Sargent, second vice-president and program chairman; Mrs. W. R. Farmer, third vice-president and ways and means chairman; Mrs. J. F. Sawyer, fourth vice-president and house chairman; Mrs. Ray R. Sherwood, recording secretary; Mrs. Lowell S. Donnell, corresponding secretary; Mrs. D. J. Burlingame, treasurer; Mrs. Neal Van Dorin, parliamentarian; Mrs. W. A. Getty, auditor. Directors are Mrs. Minnie D. Goodrich, Mrs. Harold K. Hemingway, Mrs. L. E. Moser, Mrs. Jack Dorrity, Mrs. Carl Nicholson and Mrs. Ray C. Norton.

Mrs. Sargent, program chairman, presented as the afternoon

MRS. MARION MAXWELL

entertainers the Upland junior high school orchestra and their director, Mrs. Earl H. Johnson, who delighted their audience with several selections.

Mrs. W. R. Farmer, chairman, and the May committee were in charge of the tea which followed the program.

CITY-WIDE PAPER DRIVE TOMORROW

Another all-out effort on the part of Uplanders will be made in the city-wide paper drive which will get under way tomorrow.

Plans are complete and it appears now that this will be one of the most successful paper salvage drives yet conducted, Howard Mason, local salvage chairman, pointed out today.

A house-to-house call will be made by Upland school children in the area of Foothill boulevard south to the Santa Fe right-of-way and from San Antonio to Grove avenues.

Persons who have carefully saved all newspapers and magazines are reminded that they must be securely tied in bundles and must be segregated. Newspapers must be tied in one bundle and magazines in another.

For those persons living outside of the designated area and who have paper they wish to contribute to the drive, are asked to cooperate by bringing it to one of the schools. Gasoline is not available for a pick-up service, it is explained.

The paper collected tomorrow will be sold to authorized dealers and the money received from the sale will be placed in the students' fund at the schools taking part.

NEW TENANTS AT LOS OLIVOS

Three new families have moved to Los Olivos within the past few days and are now enjoying the project's community life.

From Yakima, Wash., have come Mr. and Mrs. Roy De Forest and their three daughters and son. They are residing at 794 San Ysidro drive. Both Mr. and Mrs. DeForest are employed at Cal-Aero.

Mr. and Mrs. Harry R. Edwards have moved from Los Angeles to 1185 Myrtle drive. Mrs. Edwards is employed as a nurse at San Antonio Community hospital and Mr. Edwards is employed at the Beuler Tank Works in Cucamonga. Vacating the residence to which the Edwards' moved were Mr. and Mrs. Lawrence Clark who returned to their home in Detroit.

Moving to Los Olivos from Los Animas, Colo., are Mr. and Mrs. Edward W. McCormick and their daughter Mrs. Edith Baublits and the latter's four children. The family is at 766 Guadelupe drive. Mr. McCormick is a Kaiser Steel Mill employe.

Carl Palis, who is employed in Los Angeles, spent the week-end with his parents, Mr. and Mrs. A. L. Palis, at their home, 636 North Euclid avenue.

DR. SHERRICK BUYS BUILDING SITE

Plans for the first post-war construction of business buildings in Upland were revealed today with the purchase by Dr. Owen M. Sherrick of an East Ninth street site for a professional office.

The site, 50 feet by 50 feet, is at 240 East Ninth street, just east of his present office and across the street from The Upland News building. On the property at present is a small residence, which will be removed later to make way for the new structure.

Dr. Sherrick plans an attractive structure to serve his patients, the building to include a reception room as well as offices for himself and staff. Two large pepper trees on the property along the alley between Second and Third avenues will be allowed to remain to provide attractive "atmosphere' and background for the new structure.

The building site, owned by an estate with heirs in the east, is part of the half-block long property extending to Third avenue and 110 feet deep.

Housewives Urged to Have Newspapers Ready for Collector

If your doorbell rings tomorrow, chances are that it will be a school pupil who has come for your salvaged magazines and newspapers. Much time and effort will be saved if housewives will cooperate by having bundled paper where it can be immediately collected by the student solicitors, it has been pointed out. Most schools are receiving depots and if you have a quantity of papers and magazines not called for you are asked to leave it at one of the local schools.

Rotarians Sponsor Friday Night Dance At Service Club

Upland Rotary club sponsored the USO dance Friday night. Committee in charge of the evening's arrangements included Mr. and Mrs. William R. Mason, Mr. and Mrs. E. Birch Harrison, Mr. and Mrs. Harry M. Wright and Mr. and Mrs. A. C. Reynolds.

Mrs. William Arden was checker, Miss Helen Hickman was at the hostess desk and Mrs. Frank Phillips had charge of the junior hostesses.

Music was furnished by Courtney Manker of Claremont.

The dance next Friday night will be sponsored by the Ontario Rotary club.

COMMITTEE MEETS; 5TH BOND DRIVE HERE DISCUSSED

First meeting of the Upland War Finance committee since completion of the Fourth War Loan drive was held yesterday afternoon. At this meeting were John W. Shepperson, chairman; Harlow Wilson, Frank Nichols, R. C. Norton, Orton P. Brady, Owen Atwood, Ernest Gibson and Leigh Thompson.

Chairman Shepperson reviewed Upland's other bond drives and discussed the Fifth War Loan drive, which is scheduled to start June 12. Mr. Shepperson pointed out that this city has not only met every quota it has been assigned to date, but has oversubscribed them by many dollars. In the second war bond rally in April, 1943, Upland's quota was $207,000 and bonds in the amount of $244,583 were purchased here.

In September, 1943, Upland took part in the third war loan drive, at which time it bought $554,853 worth of bonds, which was considerably more than its quota of $475,000. In January and February of this year the local quota was $350,000, and bond sales at the conclusion of the drive totaled $469,493 for Upland.

QUOTA HERE NOT SET

This community's quota has not been established for the coming bond drive, but is expected to be in the neighborhood of $400,000, Mr. Shepperson stated. The national quota for this drive has been increased from fourteen million dollars to sixteen billion and with this in mind it is natural to expect all community quotas to be somewhat raised.

All June sales will be credited to the war loan drive and the committee points out that persons planning to buy war bonds in the next few days are asked to wait until after June 1, in order that Upland might be credited with these bond purchases.

It is also explained that in order for Upland to receive credit from its citizens buying war bonds they must either purchase them from a local agency—one of the banks or the post office, or stipulate when they buy them elsewhere, such as at a defense industry, that Upland be credited for the amount.

PLANS CITED

Present plans for conducting the fifth war loan drive here will follow much the same route of previous drives, according to committee members. As soon as Upland's quota is announced and literature arrives for the drive, concrete plans will be formulated for the drive here although the general plan will be much the same.

On Thursday a conference will be held in Los Angeles at the Ambassador hotel, at which time district chairmen and key workers in Southern California will convene to discuss the drive. The meeting is called by R. H. Moulton, state chairman. Attending the conference from here will be Messrs. John W. Shepperson, Frank Nichols, O. P. Brady and Ernest Gibson.

FOOD FUND GOES BUT NOT SATURDAY SUM

The Saturday dividend day jackpot was not awarded at the J. H. Ehrisman home, Mountain avenue and Twentieth street, last night because no one had any sales slips. Purchases had been made, it is reported, but it takes sales slips to win the $25.

And so, the consolation award of $1 was made.

As to the food fund, that is different.

Mrs. J. H. Taylor, 940 San Bernardino road, qualified to win the $35 in the jack-pot because she had made purchases at a food store advertising in The News and she presented the sales slips. The purchase was made on last Thursday.

In the jack-pot for the mid-week food purchasers will be $15, the usual starting point.

UPLAND ELKS TO BE HONORED AT DINNER AND SHOW

Thursday promises to be a memorable occasion for Upland Elks, for on this date a gala affair is being planned in their honor by Ontario B. P. O. E. 1419, to which district Upland belongs.

Premier Chef Jack Potts and his able assistants promise a dinner to delight the heart of any gourmet, with prime ribs of beef au jus heading the menu. Festivities will start at seven o'clock with the dinner to be followed by a short business session. At conclusion of same, the evening's fun will begin with a splendid floor show.

Committee in charge of the frolic includes Ray R. Sherwood, James T. Vivian, Clinton Mayberry, with A. J. DeMeyere publicity chairman.

Lodge 1419 is justly proud of its Upland members, who include many leading business men, city officials and citrus growers. Five charter members are residents of Upland and include William Springer, first exalted ruler of 1419 and later deputy district grand exalted ruler; E. C. Mehl, the first treasurer; J. W. Mehl, W. C. Cline and C. K. Francisco.

50 YEARS MEMBER

Longest in years of service is H. W. Flowers, who joined Muncie, Ind., lodge more than 50 years ago, later transferring to 1419. Others gaining high rank in the order were Glenn M. Atwood and William Atchley, both serving their final year in office as exalted rulers. Mr. Sherwood and James T. Vivian are members of the board of trustees. Others are serving on different committees.

Among the Upland members who will be honored Thursday night will be William Springer, E. C. Mehl, J. W. Mehl, W. C. Cline, C. K. Francisco, Glenn M. Atwood, William Atchley, V. H. Wilson, A. R. Colburn, I. J. Linkey, Hjalmar Anderson, Ray R. Sherwood, R. A. Ibanez, E. L. Mueller, J. T. Vivian, H. W. Flowers, J. E. Andreas, E. J. Head, C. A. Magruder, O. F. Heinauer, R. A. Sage, Will Miller, J. R. Martinez, Marrano Martinez, T. D. Pittenger, Jack Davis, R. Robert Sherwood, O. B. Williams, D. D. Lyttle, J. A. Martinez, C. O. Mayberry, P. O. Long, O. R. White, H. T. Bigger, W. B. Ingalls, L. E. Gilmore, C. S. Lehman, W. C. Rush, A. J. DeMeyere.

All visiting brothers in the district are cordially invited to come and enjoy the evening, according to an announcement made today by Oregon Smith, exalted ruler.

Uplanders Apply for Building Permits

Recent building permits were granted to the following: L. R. Nichols, 253 North Euclid, building of service porch; Gayle Harris, 273 North Euclid avenue, termite damage repair; Charott Neely, 407 Third avenue, repair of front porch, and to W. M. Bergman, 268 Sixth avenue, for alterations.

TEN UPLAND MEN SWORN INTO NAVY

Ten Upland men, two from Ontario and one from Alta Loma, Saturday answered the navy call through local selective service board number 149 and reported to the navy recruiting station in the post office building in Los Angeles. At this place they were sworn in and then assigned to a naval training center.

Upland men sworn in were Edward Paul Hamilton, John Paul Herrington, Clair Elwood Southworth, Joseph Newton Echols, Walter Carl Schultz, Warren Kiner Sheets, Jack Allen Christensen, Angel Lara Morales, Charley Nathaniel Land and Louis Jean Miller. From Ontario were Francis Howard and Wallace Stanley Markey, and from Alta Loma, Joseph Franklin Saylors.

Upland To Honor War Dead Stores Close Memorial Day

Seventy-six years ago, in 1868, General John A. Logan, commander-in-chief of the Grand Army of the Republic, issued an order "that every post of the Grand Army should hold suitable exercises and decorate the graves of their dead comrades with flowers".

Since then Decoration Day has broadened and now it is known as Memorial Day, on which day we pause to remember with reverence those men who, down through the years, gave their all that America might live and grow in light and liberty.

In Upland all stores and business places will be closed on Tuesday, May 30. Patriotic organizations are cooperating and a fitting service will be held at Upland Mennonite church at the 10:30 o'clock morning worship hour, with the day climaxed by a parade at 6:30 to be followed by a special Memorial Day program in the Chaffey Civic auditorium.

E. J. Sandford, general program committee chairman, and Mrs. V. C. Harter, Upland chairman, along with their capable assistants and other committees, are anticipating this year's Memorial Day crowd to be larger than ever before and with this in mind are making every effort to make this year's services a fitting tribute to the honored dead.

Taking part in the program will be numerous patriotic organizations, the cadets of Cal-Aero academy, enlisted men and officers from the Norco naval hospital; decorated men from the coast guard, navy, marine corps, army and air force, Ontario army air base Negro band, and the Cal-Aero band, as well as many other groups and individuals.

Speaker of the day will be Lt. Col. John P. Randolph of the Ontario army air base.

The parade is scheduled to leave from the corner of B and Euclid, with the program at the auditorium planned for eight o'clock. Patriotic groups are asked to meet at the Mennonite church at 10:20 Tuesday morning in order to participate in the church service at this place.

1,242 NAMES ON SCHOOL PETITION

The canvass to obtain signatures of local registered voters on an initiative petition to qualify a constitutional amendment for the November ballot, providing for increasing state financial aid for elementary education, has been completed. This work in the Upland school district was carried on by members of the Upland Parent-Teacher association under the direction of Mrs. Poli Sanchez, president.

A total of 1242 signatures was obtained. The state-wide goal for signatures was 250,000 with San Bernardino County endeavoring to raise 25,000.

While it is necessary to have the signatures on these petitions checked and approved by the county clerk's office, it is believed that a large enough number of signatures have already been obtained to qualify this measure for the November ballot.

Members of the Upland Parent-Teacher association who circulated petitions are Mrs. Flora S. Allen, Mrs. Ray Anderson, Mrs. Owen Atwood, Mrs. J. P. Bert, Mrs. Marian A. Bradburn, Miss Jessie E. Brown, Mrs. Harold Cook, Mrs. Gladys H. Cunning, Mrs. R. S. Ellis, Mrs. Verna R. Eyer, Mrs. Gladys Reid Forsberg, Mrs. Walter S. Gear, Miss Peggy Grahame, Mrs. Kendle Hill, Mrs. N. J. Jamieson, Mrs. Sam Lamb.

Mrs. Jarvis Leman, Mrs. James Martinez, Mrs. Denzil S. Melling, Mrs. J. B. Milliken, Mrs. Frances L. Mitchell, Mrs. Norma Mueller, Mrs. Marjory McCarter, Mrs. H. L. McLellan, Mrs. Nellis McNeil, Mrs. Gordon Nicholson, Mrs. Myra C. Pace, Mrs. Vernon Paine, Mrs. Harry H. Plum, Mrs. P. W. Rohrbaugh, Mrs. Poli Sanchez, Miss Theodore Stamm, Mrs. Harold Stickney and Miss Florence Tarleton.

Speakers Compete May 29 in Chaffey's Oldest Contest

Three Chaffey public speaking students will participate in that day. Founded in 1914 by Newell Richardson, Civil War vettran, it is recognized as the oldest speaking contest at Chaffey.

Speaking in commemoration of the war dead will be Marion Koch, semi-finalist in the Podrasknik contest and Helen Van Brunt, Junior speech student.

The second patriotic contest of the year, it will be judged by the Chaffey faculty, and is the final oratorical competition of the year.

Mrs. T. P. McNaul of 1205 West Eighth street is the proud possessor of a ring set with five pearls, which arrived Monday as a birthday gift from her son, T-5 Clyde S. McNaul, who is stationed with the army somewhere in England. In the ordnance department, Mr. Naul left for overseas early in February.

REV. STEWART WILL LEAVE UPLAND

Selected for the important position of associate professor at the San Francisco Theological seminary, the Rev. Donald G. Stewart has tendered his resignation as pastor of the Upland Presbyterian church. Official action is scheduled to be taken by the Presbyterian congregation next Sunday.

Recognized as one of the outstanding leaders in the field of education, Rev. Stewart came to Upland in January, 1943, from the campus of U. C. L. A., where he served the church as director of religious activities.

In his new position he will be associate professor of Christian education. The seminary is the only one in the west sponsored by the Presbyterian church.

Under his leadership the church has experienced a steady growth and expansion with the church being the center of many activities.

UPLANDER AIDS WAR REFUGEES

For the past five years, Mrs. Frank Davis, Mountain drive, Upland, has been caring for refugee children in France and England through the Foster Parents' Plan for War Children organization.

Mrs. Davis cared for Manuel Lopez, 15, a Spanish boy in France; Herbert Burstyn, Australian boy, until he was able to obtain employment, and now Mrs. Davis is caring for Alan Spence Niven, 4-year-old British boy in England.

Alan's father joined the R. A. F. early in the war. He was severely injured after participating in many important flights over Germany. He is still in the hospital. There are two children in the family both younger than Alan. Alan's home was hit during raids over England recently. Mrs. Niven drives a bus and found that she could not provide food and care for her children at the same time. She decided to send Alan to the Foster Parent's plan for safety and education.

On the receipt of an application by the Foster Parents' Plan, the foster parent receives as soon as possible a photograph and a brief history of the child and pays $15 per month for the support of the child. An international committee composed of the Earl of Listowell, Mrs. Eleanor Roosevelt, Helen Hayes, the Viscount Cecil of Chelwood and Russell Maguire are sponsoring the work of the Plan for war children. More than 20,000 children of the United Nations have been helped since the plan's inception seven years ago.

VEEDER SOUTH IS NEW MANAGER OF RED HILL COURSE

Veeder South, recognized as one of the finest golfers in the Chaffey district, is today manager of the Red Hill Country Club golf course and of the golf shop.

During an interlude of more than two years, Mr. South has been working in defense plants, but he returned recently to assume charge of the golf activities at the local club. At present he is residing in the Mrs. T. M. Nichols residence but he and Mrs. South will move here just as soon as accommodations can be obtained.

Keeping his status as an amateur golfer, Mr. South will not become a "pro". It is his plan, however, to give general coaching instruction to members of the club.

Hospital Officials in Joint Meeting With Hospital Staff

Semi-annual meeting of the board of trustees of the San Antonio Community hospital and the hospital staff will be held tonight when plans for the future will be discussed.

Reports will be given on the recent joint conference of the California Hospital association and the California Medical association at which the need for closer cooperation was stressed.

The need for an addition to the hospital here will be discussed. Plans for the San Antonio addition have been drawn and approval from the war production board is the only detail to be completed before actual construction is started.

Repatriates Relate Experiences at Mennonite Church

Mr. and Mrs. Henry Buller, repatriates who recently returned to the United States aboard the Gripsholm from Germany were guest speakers at the Mennonite church Sunday.

Mr. Buller addressed the congregation at the morning service and Mrs. Buller, a native of Germany, who has spent the past ten years in France and Belgium told of her experiences at the evening service.

Express Yourself Now on City Retirement Program

Serious study should be given by interested Uplanders to the proposed retirement plan for the local city employes.

While approving the retirement program in general, the councilmen are rightfully "going slow" and giving an opportunity for every registered voter here to make an expression. In due time, we believe the retirement plan will be adopted. The proposal, however, involves quite sizeable figures and warrants deliberation. Once adopted, it cannot be changed easily.

Within a short time a "post card ballot" will be mailed to all registered voters. In the meantime, persons are invited to confer with the councilmen and other city officials relative to the proposal, the costs and the benefits.

The cost will be about 12 cents on each $100 of assessed valuation annually. This money will provide the city's share of the retirement and death beneficiary fund. Employes, through payroll deductions, will contribute about $4,000 annually.

The proposal will give the employes more security. Each will have a "fund" for the future, although at best the allotment will not be large. On the whole, the city is providing its own form of "social security", since municipal employes are not included in the federal social security plan.

While final decision in the matter is up to the councilmen, the general public is "going to pay the bill". The point is—if you object to a retirement program or if you think the city should not undertake the proposal, your sentiment should be made known now to the councilmen—not when it is too late.

The News welcomes comments on the proposal from the general public.

Essay on Man—

"Man is what a woman marries.

"Men have two feet, two hands, and sometimes two wives, but never more than one collar button or one idea at a time. Men are all made of the same material, the only difference is that some are better disguised than others. Generally speaking, they may be divided into three classes—husbands, bachelors, and widowers. An eligible bachelor is a man of obstinacy surrounded with suspicion. Husbands are of three varieties—prize, surprise, and consolation prize. Making a husband out of man is one of the highest plastic arts known to civilization. It requires science, sculpture, common sense, faith, hope, and charity—mostly charity. It is a psychological marvel that a soft, fluffy, tender, violet-scented, sweet thing like woman should enjoy kissing a big, awkward, stubby-chinned, tobacco-and-bay-rum-scented thing like man.

"If you flatter a man, it frightens him to death, and if you don't, you bore him to death. If you permit him to make love to you, he gets tired of you in the end, and if you don't, he gets tired of you in the beginning.

"If you wear gay colors, rouge, and startling hats, he hesitates to take you out. If you wear a little brown toque and tailor-made suit, he takes you out and stares all evening at a woman in gay colors, rouge, and a startling hat.

"If you are the clinging-vine type, he doubts whether you have a brain. If you are the modern type, an advanced and independent woman, he doubts whether you have a heart. If you are silly, he longs for a bright mate, and if you are brilliant, he longs for a playmate. If you are popular with other men, he is jealous, and if you are not, he hesitates to marry a wallflower. If you please him, he seldom mentions it, but if you displease him, he never fails to tell you about it, especially if you are his wife."

The State Saves for Future Due to War-Time Prosperity

James Dean, state finance director, has provided some interesting figures in his review of California's income. The state's fiscal position in the last nine months has exceeded estimates by about $55,000,000. This, Mr. Dean points out, is due largely to wartime prosperity.

GGeneral fund assets March 31 totaled $128,190,000, compared with a forecast 15 months ago of $72,920,000. This is considerably in excess of the average of the last five pre-war years.

It is heartening to realize that our state has such a large amount of assets and if additional millions can be added within the near future, the state will be in a much better position to cushion the shock which might occur after the war.

Mr. Dean's comment on the unexpected income increase should be viewed as a warning. War-time prosperity will not continue and that fact should enter into all considerations when the huge balance is totaled.

Unemployment Insurance Fund Report Given

California's unemployment insurance funds stood at $501,301,580.13, as of May 1, according to a report made today by the California Employment Stabilization commission.

During April, the department paid $1,001,047 in unemployment insurance to 14,569 persons, which was 29 per cent less than in the previous month, but 19 per cent higher than for the same month of 1943.

For the first four months of 1944, a total of $3,852,761 was paid in unemployment insurance benefits, approximately the same figure as for the first four months of 1943.

During April of this year, 15,101 initial claims for unemployment insurance were filed with the department, an increase of two per cent over March, but seven per cent under April of 1943.

AUXILIARY HEAD FORECASTS HUGE POPPY SALE HERE

The largest poppy sale in the history of the American Legion auxiliary is predicted by Mrs. Herbert C. Naylor, president of the local unit, who said today she would not be surprised if more than double the usual number were sold.

As few people know what the arrangements are for making these Memorial Day flowers, Mrs. Naylor explained that the materials are furnished free to the veterans by the American Legion auxiliary. Volunteer workers teach the disabled men to make the poppies. The entire poppy program, from the supplying of the materials to the distribution of the finished flowers to the American public, is under the management of the auxiliary.

"The veterans and their dependents are the ones who benefit from our poppy sale," Mrs. Naylor points out, "not only from the money that results from selling poppies, but also from having something tangible to do instead of having to rest, read or talk. These men in the government hospitals are delighted to keep their fingers busy and their minds occupied with the intricacies of fashioning poppies. Needy wives and children also reap benefits from the sale of flowers.

"We have been selling these Memorial Day flowers for 24 years and each year the poppy becomes more closely identified with the American Legion auxiliary and with our disabled men. We hope the service will continue indefinitely."

Poppies will be sold on Upland streets on Friday and Saturday of this week.

BEULAH COLLEGE "HONOR ROLL" OF SERVICEMEN

With Beulah college about to close school for another term, a list of alumni serving in the armed forces was recently compiled.

A roll call takes in many local young men as well as young men from the middle west and east. To date there is one gold star, Captain John Kraybill of Thomas, Oklahoma, who give his life on a bombing mission, crashing in England.

Outstanding among those serving abroad are such men as Pvt. James Guion in India, Sgt. Evan Bohen in Great Britain, Seaman Glen Zook of the Seabees, Cpl. Ira Eyster in the Aleutians, Cpl. and Capt. Sylvanus Landis, M. D., in South America.

Others of the local boys in the service are Cpl. Orville Bert at Langley field, Virginia; Cpl. Donavon Byerl Camp Roberts; Cpl. Dean Engle, Camp Abbot, Oregon; Sgt. Lowell Byer, Piote, Texas; Pvt. Joe Smith, Barkley field, Texas; Cpl. Maynard Lenhert, Ft. Benning, Georgia; Sgt. Roy Wenger, Seattle, Wash.; Rudy Becker, Camp Crowder, Mo.; Seaman Claude Bailey, at sea with the navy; Seaman Wm. Wolfinbarger, Moffett field, Calif.; Dr. James Alderfer, M. D., 2nd Lieut. army reserve; Pvt. Lawrence Rohrer, marines; Chaplain G. M. Aposhian, U. S. N. R.; Paul Hershey, Farragut, Idaho; Capt. LABOR SHORTAGE STILL CRITICAL

Need for male laborers in this area is still very critical, according to officials today at the United States Employment Service office in Ontario.

With the citrus industry somewhat between seasons, need for male workers is confined chiefly to other industries, especially at defense plants and small businesses, it was explained. One USES official ventured the statement that the need for male laborers continues and seems to only increase with each succeeding month.

The employment office has numerous requests for capable secretaries, stenographers and bookkeepers. These jobs are open now and women who are interested in obtaining work of this kind and are capable can be placed at once.

PARENTS, CHILDREN TO UNITE IN PICNIC

The grounds of the Upland Elementary school will be the setting for an evening of good old-fashioned fun for parents and children of all ages Thursday night when members of the Upland Parent-Teacher association hold their final social event of the school year, Mrs. Poli H. Sanchez, the new president, announced today.

Entertainment for the evening is under the supervision of the program and summer recreation committees, and the fun will begin at 5:30 o'clock. An hour will be devoted to games, with the children being divided into different groups, according to their ages.

Harold W. Cook and Harold B. Anderson will be in charge of the larger boys, who will play ball, etc. Mrs. P. W. Rohrbaugh and Girl Scouts will entertain the preschool children in the kindergarten room, and Mrs. James A. Martinez will supervise the first, second and third graders. Mrs. Dan B. Milliken will be in charge of the fourth, fifth and sixth graders.

The picnic supper will be served an 6:30 o'clock, and will be followed by community singing led by Miss Peggy Grahame. Miss Margaret Norman will be accompanist. Later, there will be competitive games for the Junior high students.

Mrs. Nellis C. McNeil will register those attending, and Mrs. Earl L. Wenger and Mrs. J. B. McCarter will assist in various capacities.

The coffee, sugar and cream for the dinner will be furnished by the executive committee. Mrs. Bert L. Reed will be in charge of the coffee-making.

Mothers may make all arrangements to come with their families, for if the weather is not suitable, the affair will be held in the school cafeteria.

Pupils Receive Cash Awards in Annual WCTU Essay Contest

Prizes were awarded to winners in the essay contest sponsored each year in the Upland schools by the Upland Woman's Christian Temperance Union in a recent assembly held in the Elementary school. Mrs. Ralph H. Marr, president, made the presentations.

Marian McLellan, Peggy Duque and Joan Andreas were the prize winners in the sixth grade; and in the fifth grade the awards went to Dennis Gooding, Phyllis Kurteman and Richard Loch.

Children in the first four grades made scrap-books instead of writing essays, and the Sierra Vista school for Mexican children held first place in this division, with the Elementary school placing second. This year pupils of the Eighteenth Street school did not compete.

In the junior high school division, winners in the ninth grade were Anne Gill, Robert Adler and Margaret Dahms. Prizes in the eighth grade went to Francis Wass, Mary Lou Engle and Thelma Parks, and in the seventh grade honors went to Patsy Geer, Carldene Riggs and Janet Amend.

The prizes were in cash and totaled $30.

Navy Sets Up Cash Remittance Service For Wives, Families

Wives and families, not to mention the savings account in the neighborhood bank—of men in Navy service—may now get some of those greenbacks the men overseas are itching to spend but have nothing to buy with them.

A "personal cash remittance" service has just been set up by the navy department by which regular allotments and family allowances may be augmented by personnel overseas.

Navy men, coast guardsmen and marines just give an overseas disbursing officer ten dollars or more in multiples of $5.00 and fill out a simple form. The form is forwarded to the field branch, Bureau of Supplies and Accounts, Cleveland, Ohio, where a check is dispatched to the designated payee. The remittance plan also provides for the purchase of war bonds, which are either sent to a designated person or held for safekeeping at the Federal Reserve bank in Cleveland.

Car Owners Must Have Stickers or Application Proof

With state highway patrol officers now stopping all motor vehicles which fail to display 1944 license stickers as evidence of current registration, drivers are warned to carry indisputable proof of application for stickers if they have not yet received their sticker.

License application evidence is considered to be possession of a post office or express money order receipt, cancelled check, Automobile club receipt, official receipt of the California Highway Patrol or Division of Registration or some communication from the department of motor vehicles with respect to the vehicle operated.

Unless such proof is carried, highway patrol officers have the authority to issue warning or arrest citations as the circumstances may warrant. Particular check is being made this year for car owners who are attempting to evade license or penalty fees by filing false affidavits of non-operation.

Services Held for Frederick Long, 91 Years of Age

A resident of Upland since 1904, Frederick Long died on Sunday morning at the age of 91 years. He had been in declining health for about a year and he had been active in the citrus industry up until a few years ago.

Known by many of the "old-timers" and a friend to many residents, Mr. Long had resided at 836 North Fourth avenue until his recent illness. He died at the home of his son-in-law and daughter, Mr. and Mrs. R. A. Martin, 416 North Cherry avenue, Ontario. Mrs. Martin and her two brothers, Perry O. Long and Harry Long, had extended their father much attention and care during his illness. Also surviving is another daughter, Mrs. Kathryn Hampton, Los Angeles. He is also survived by three grandchildren and two great grandchildren.

Funeral services were conducted for Mr. Long at 2 o'clock this afternoon, in the J. B. Draper Co. mortuary here, with the Rev. C. R. Heisey officiating. Interment was in Bellevue cemetery.

Mr. Long observed his 91st birthday anniversary last November. He came to Upland from Los Angeles and came west from Jacksonville, Ill.

"When I was nine years old my kid sister was crazy about painted dolls and I was in love with soldiers."

"So what's so special about that?"

"Nothin', except now at nineteen she loves soldiers and I'm kinda crazy about painted dolls."

Final Rites for Mrs. B. H. Spicer In Pomona Today

Relatives and friends paid final tribute to Mrs. Mary Spicer, wife of B. H. Spicer of Pomona, this afternoon when funeral services were held in the Todd and Reeves mortuary. Interment was in the Pomona cemetery.

Mrs. Spicer passed away Friday evening at White Memorial hospital in Los Angeles, where she had been in failing health with a rare blood disease for a long time.

The Spicer family formerly lived in Upland, moving to Pomona about 21 years ago. Mrs. Spicer was prominent in work in the Presbyterian church while living here, and was active in the Rebekah lodge in Pomona.

Surviving her besides her husband are two sons, Major Emerson Spicer of Redwood City and Capt. Paul Spicer in England, both in the army; one granddaughter, Beverly Spicer; and two sisters and a brother.

Load up the spray gun with Standard Poultry House Spray and go hunting in the chicken house for mites, ticks, fleas, flies. Lay down a barrage, douse the crevices, even the outside if the house is heavily infested. You'll kill plenty of parasites instantly — and get the rest later. That's because Standard Poultry House Spray penetrates, stays active for days, ready to kill young mites and ticks as they drop from birds. Standard Poultry House Spray is economical, persistent, leaves no grease to stain eggs or feathers.

Civil War.....

Got a peek at a letter from Kenneth Hanson, who sojourns in langorous land of waving palms, wriggling hoola wenches, euphonious ukeleles, salubrious climate, and a sort of spiritual stimulant made from the carefully combed milk of the cocoanut—well blended with the juices of certain secret native vegetables — roots, and yarbs. He brought me a bottle one time for purely medicinal purposes. As I remember, he called it Okolehau—but to me it's Oh Holy Cow.

Hawaii and enrivons surely robbed Southern California of one of its finest citizens. Wots more, don't look like we are going to get him —or a reasonable facsimile back right away either. Don't blame him—he has, no doubt, access to the grove where they pasture the Oh Holy Cow.

Thou shalt covet thy neighbor's climate, or sumpn."

That brings back the old battle between Northern and Southern California. As usual, The Big Boys of the north and south—merely kid each other about the advantages and disadvantages of the two sections. But—the little guys—scattered about the highways and whistle stops, really take it to heart and carry on the war without quarter or — as Tony would say—without moicy.

As a non-combatant at a certain breakfast meeting in dear old San Francisco — I heard a group of members of both clans twitting each other according to the usual friendly enemy program.

One man of affairs from the Angel City remarked:

"Well, we'll have to admit youse guys up here have something we don't have."

The S. F. Gent gasped and asked wot that could be.

The So-Cal booster said: "Why—your San Francisco bay and harbor."

Golden Gate booster then slyly remarked: "If youse guys could suck as hard as you can blow—you'd have it down there now."

Now there's Gottloff—He aint inherited no hates nor prejudices about North or South Calif.—and the mention of Florida doesn't sway him from his loyalty to the fur bearing Navel orange. He absorbs by gulps three or four ounces of the straight juice and hollers for more. Maybe that's a military secret, huh ? ? ?

Yeah, this is an adv. for

SCHOOL ELECTION HERE LIGHTEST IN MANY YEARS

Upland saw one of its lightest school elections in years with only 27 ballots cast here at Friday's election, held at Upland Elementary school. Allan S. Barr, incumbent, who was an unopposed candidate for trustee of Upland Elementary school district, received the full 27 votes. N. E. Trautman, candidate to succeed himself on the Chaffey board of education, received 26 votes, and H. S. Bailey, also candidate for re-election on the Chaffey board, received 27.

Votes for school posts were exceedingly light all over the West End, according to tabulations from various communities.

In Ontario, 65 ballots were cast; Alta Loma reported that there only eight were cast; Guasti school listed five, and Camp Baldy recorded 15. The all-time low was reported at Mountain View, where three election clerks patiently watched the hours go by and at the conclusion of election day had counted one vote exclusive of their own.

Art Association Meets to Organize Work for Year

The Community Art association board met last night to organize for the new year. Mrs. H. S. Bailey, the new president, presided and met her new board members and appointed various committees for the year.

Mrs. F. W. Riddington and Mrs. W. B. Rundle and Mrs. W. P. Stover are the new board members. Mrs. Stover was appointed to take the place of Mrs. Bailey, whose election to the presidency left a board vacancy. Other board members are Mrs. A. L. Weber, Mrs. A. A. Aita, Mrs. W. E. Baier, Mrs. Ray Staffield, Mrs. G. W. Spring,, and Sanford Ballou. Miss Hettie Withey is secretary and Mrs. H. Grant Robbins is treasurer. Also present at the meeting were Mr. and Mrs. Francis R. Line, who hold honorary board memberships.

First business of the evening was the appointment of Mr. and Mrs. Line to head the art exhibit in the fall, now tentatively set for late October or early November. Mrs. Sanford Ballou was named director.

A committee to work out a program for next year was appointed and includes Mrs. G. W. Spring, as chairman; Mrs. W. B. Rundle, Mrs. Frank F. Palmer, Mrs. A. L. Weber, Mrs. Frank Phillips, Mrs. Donald Vowles and Sanford Ballou were appointed on the membership committee.

DeLACEY JOINS NAVY

Frank Theodore DeLacey, 17, son of Mr. and Mrs. Ernest F. DeLacey, of 423 West D street, Ontario, enlisted in the U. S. Naval Reserve May 20. He enlisted as an apprentice seaman through the navy recruiting station in Pomona. Prior to his enlistment, Frank attended Chaffey high school. After a short leave here he will be transferred to a naval training center for "boot camp".

"The White House on Wheels" is the special passenger train used by the President of the United States and his entourage.

The Cleveland library plans to train pages. It'll be nice to just sit and read while they turn over.

Methodists Honor Young People Who Are In Armed Forces

Recognition services were held Sunday at the Methodist church, at which time fitting tribute was paid to the men and women from the church now in service, to those who have been honorably discharged and to those who have given their lives in the routine of patriotic service.

An unusually large congregation attended the services, of which many were parents and friends of the men and women on the church honor roll. Dr. Samuel Hughes chose as his sermon subject "This I Can Believe".

Following are the names of the young people who were honored at the church service Sunday:

Observer Corps Asked to Call for Certificates

There are still a great many certificates at The Upland News for members of the Ground Observer Corps who served in this area last fall.

Harvey McMasters, former head of the organization here urges all men and women who served to please pick up these certificates at once if they care to have them as mementos of the times.

WE WANT
Your Assistance
IN HELPING US GET
MORE MECHANICS

If you know any mechanics who are not employed at their trade or would like to make a change, we would appreciate an opportunity to interview them.

If we are successful in securing a few more mechanics we will be in a better position to serve YOU and the COMMUNITY.

Under present conditions it has been impossible for us to do all the repair work offered us. The principal reason for this is the shortage of good mechanics. Cars and trucks that in pre-war days were junked now must be repaired and kept in operating condition.

Some garages, faced with the perplexing problems of today, have closed—thereby placing a greater burden on the remaining garages.

We appreciate the courtesy and patience you have shown under these trying conditions and regret our inability to serve your needs promptly.

To relieve this condition we have leased a second building at 343 North Second avenue, formerly the Chamber's garage, and have installed equipment in this building for the repairing of automobiles and trucks, and a modern paint booth for the most scientific auto painting.
